ADVANCE DJ & AUDIO PRODUCTION TRAINING

MUSIC ACADEMY

WHO WE ARE

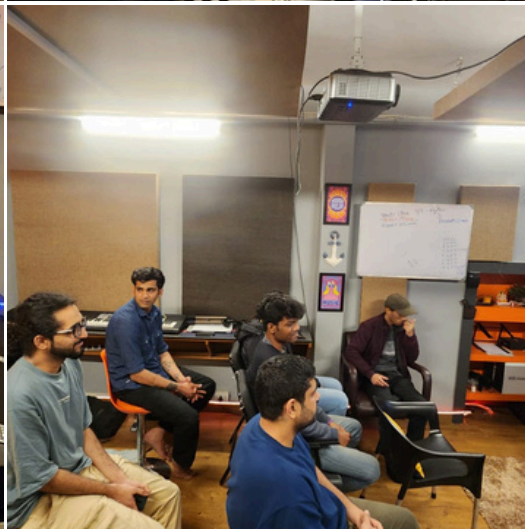

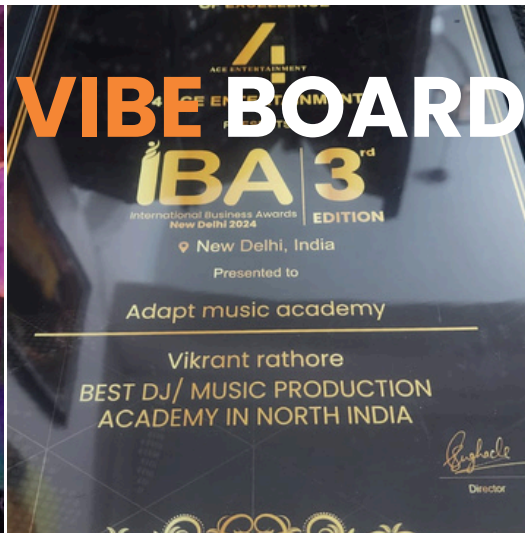

India Business Award Winner in the Education Sector

We are immensely proud to have been awarded the title of North India's Best DJ and Music Production Academy by the prestigious India Business Awards under the education category. This honour reflects our unwavering commitment to delivering unparalleled education and nurturing the next generation of music professionals. The India Business Awards celebrate excellence in various sectors, and being recognized in the education category underscores our impact and leadership in the field of music education.

Our academy boasts collaborations with some of the most renowned brands in the music industry, enhancing the learning experience for our students with access to cutting-edge technology and equipment.

Adapt Music Academy is honoured to be an Ableton India education partner, and our partnership with Ableton Germany reinforces our commitment to excellence. Our team of certified trainers, led by one of India's only 18 Ableton Certified Instructors, Vikrant Rathore, brings unparalleled expertise and insight into our curriculum. This partnership allows us to offer specialized courses in music production, djing and anything related to audio and advanced techniques, ensuring our students receive world-class training in one of the most powerful and versatile music production platforms available.

OUR FOUNDER

VIKRANT RATHORE

Vikrant Rathore, known by his stage names Audiogramme, Syncsystem, and Vial, stands out as a luminary in the electronic music scene. With over two decades of experience, he has honed his skills as an artist and emerged as a beacon of creativity and innovation. His journey, marked by performances in diverse countries and releases on renowned labels, exemplifies his unwavering dedication to music.

As one of the only 18 Ableton Certified Instructors in India, Vikrant's commitment to education and mentorship shines through. His vision extends beyond creating music; it encompasses nurturing the next generation of talent. Through his academy, Adapt Music Academy, he provides a platform for aspiring artists to learn and grow, fostering a community of passionate individuals driven by a shared love for music.

Vikrant's passion for music is palpable in his performances and productions, where he effortlessly blends genres and pushes the boundaries of sound. His music is a testament to his creativity, with each track telling a unique story and evoking a range of emotions.

Vikrant Rathore's journey is a testament to his vision, passion, and dedication to music. As an artist, educator, and mentor, he continues to inspire and influence the electronic music community, leaving an indelible mark on the industry.

OUR MISSION

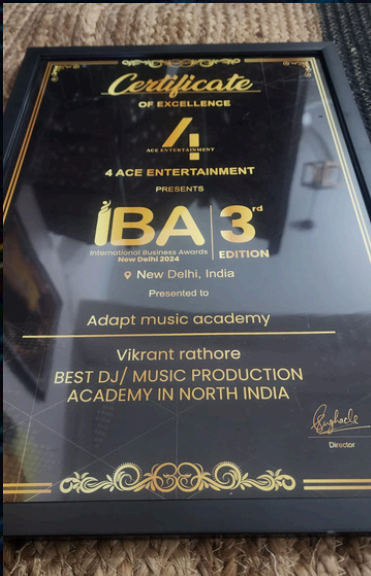

From the best, state-of-the-art technical tools to the most successful and experienced artists working in the industry currently as our esteemed faculty, we endeavour to deliver the best mix of classical and modern practical knowledge. Our training is guided by the simple philosophy of imparting in-depth knowledge of music as an art form and creating a strong foundation that one can keep building.

OUR GOAL

Our goal is simple yet profound – to be the premier destination for electronic music education in India and beyond. We aim to provide our students with a comprehensive learning experience that hones their technical skills and nurtures their artistic vision and musicality.

MUSIC PRODUCTION / ABLETON COURSES

MIXING AND MASTERING

DURATION: 8 WEEKS / 16 SESSIONS FEE ₹ 75,000 PLUS TAXES

Learn how to polish your sound and mixes. Get that depth in your music that professionals have. Basic knowledge of D.A.W is required for this course. Mixing is the process of taking each individual raw track of your song and blending it to make one cohesive piece. This process includes adding EQ, compression, balance adjustment, reverb, delay, saturation, and a host of other processing to enhance the sound and bring it up to a professional, RRQ (radio-ready quality). From level balancing to frequencies needing finishing touches, this course will set your mix ready for release, making your track warmer, fuller & mastered.

OBJECTIVE OF THE COURSE

- ▶ Learn the core fundamentals of mixing and mastering
- ▶ Learn how to record like a pro
- ▶ Polish your final tracks
- ▶ Make your tracks release ready.
