

ADAPT

ADVANCE DJ & AUDIO PRODUCTION TRAINING

MUSIC ACADEMY

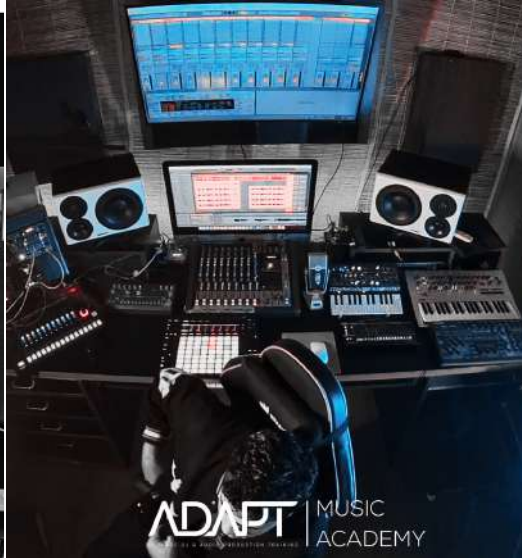

Built Different. Built for Artists

North India's #1 Award-Winning DJ & Music Production Academy

We're beyond proud to be crowned North India's Best DJ & Music Production Academy by the prestigious India Business Awards — a recognition that celebrates true excellence in education and industry leadership. This award isn't just a trophy on our shelf — it's proof of our relentless commitment to shaping the next generation of elite DJs, producers, and audio professionals.

At Adapt Music Academy, you don't just learn... you level up with industry-defining collaborations and world-class technology. As an official Ableton India Education Partner — backed directly by Ableton Germany — our students train with cutting-edge tools, exclusive content, and guidance from one of India's only 18 Ableton Certified Trainers, Vikrant Rathore.

From DJing to advanced production and audio techniques, our certified team delivers a curriculum designed for the global stage. With Adapt, you're not just joining a course — you're joining India's most powerful ecosystem for future artists.

OUR FOUNDER

VIKRANT RATHORE

Vikrant Rathore, known by his stage names Audiogramme, Syncsystem, and Vial, stands out as a luminary in the electronic music scene. With over two decades of experience, he has honed his skills as an artist and emerged as a beacon of creativity and innovation. His journey, marked by performances in diverse countries and releases on renowned labels, exemplifies his unwavering dedication to music.

As one of the only 18 Ableton Certified Instructors in India, Vikrant's commitment to education and mentorship shines through. His vision extends beyond creating music; it encompasses nurturing the next generation of talent. Through his academy, Adapt Music Academy, he provides a platform for aspiring artists to learn and grow, fostering a community of passionate individuals driven by a shared love for music.

Vikrant's passion for music is palpable in his performances and productions, where he effortlessly blends genres and pushes the boundaries of sound. His music is a testament to his creativity, with each track telling a unique story and evoking a range of emotions.

Vikrant Rathore's journey is a testament to his vision, passion, and dedication to music. As an artist, educator, and mentor, he continues to inspire and influence the electronic music community, leaving an indelible mark on the industry.

OUR MISSION

From the best, state-of-the-art technical tools to the most successful and experienced artists working in the industry currently as our esteemed faculty, we endeavour to deliver the best mix of classical and modern practical knowledge. Our training is guided by the simple philosophy of imparting in-depth knowledge of music as an art form and creating a strong foundation that one can keep building.

OUR GOAL

Our goal is simple yet profound – to be the premier destination for electronic music education in India and beyond. We aim to provide our students with a comprehensive learning experience that hones their technical skills and nurtures their artistic vision and musicality.

AWARDS AND RECOGNITIONS

Awarded as North India's Best DJ/Music Production Academy

Mentioned As One Of The Top 4 Electronic Music Schools In India To Look Out For By The Much Respected "Inditronic"

STUDENT **SUCCESS STORIES**

KHALID NAWAZ AKA

AUDIONIK AKA 3CLIP5E

AUDIONIK is a project started by Khalid Nawaz, a super talented dj and a student of adapt and now also working with ADAPT as operation and student coordinator. He is one of the most loved djs in Delhi having played ingigsat top venues like esquire, kitty su, Raasta, Proud Locals, Taksim, Irish House, Summer House, Soho, Shor, Unplugged Courtyard and many other places including the well-known festival Rang.

AENMOL

He is playing music since the tender age of 3, played on utensils, boxes, bottles, cans, bucket, table, chair. Basically wherever he could. A musician par excellence, Anmol Arora also known as AENMOL in the dance music scene, is Indian Electronica DJ, Producer and a Percussionist and a former student of ADAPT. Now he is a busy artiste having played at some top venues and with the best in the business.

PRANAV SAREEN

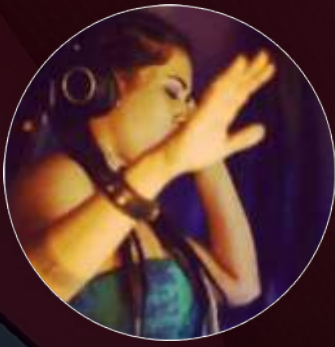

ViITOR is a DJ project started by Pranav Sareen a Dj/Producer from New Delhi who made his passion into his lifestyle. He is trained professionally at ADAPT music academy and completed his dj and production course. A true performer and now a very popular dj. His music as well as his live sets revolves around genres like Future Bass, Trap and House.

REXA

R3XA aka Reahbishts love for music has launched her into the club scene having played at venues like Raasta, Key Nightclub, LIT, kitty su, etc in Delhi. A young dynamic DJ and a student of adapt is super talented for catching club vibes and making everyone dance. She is now one of the most in demand girl djs in delhi and has been performing at various gigs. She is one artiste to watch out for.

STUDENT **SUCCESS STORIES**

SHARVANI LOKRE
AKA SINYKLE

Age doesn't matter when your work is top notch and this is something this young Mumbai based dj and music producer from ADAPT is actually aware of. Studying music at a very young age as a hobby little did she know that this would become her passion for the rest of her life her style of music is very soothing, with energetic drop which are pleasant to hear. SINYKLE is quite popular in the underground scene in India and has been playing some versatile dj sets and producing some killer psychedelic music.

RISHAB BISWAS
AKA SKYPITCH

After doing his advanced dj and production course from adapt Rishab went on to producing some amazing music, his tracks just recently got released on Sony music and he has been a constant performer at clubs and venues. Now he is in London further studying sound engineering at one of the world's best schools "point blank studios London"

ESHAAN AKA
M.M.O.W

Mixing My Own Way! is a Delhi based Techno project by Eshaan Wadhera. He is known for mixing minimal yet vibrant music to create a groovy and hypnotic atmosphere for the listeners. Being a student of AMA (Adapt music academy), he constantly learns and quickly adapts to the dance floor vibe. He will take you on an ecstatic journey into the dark yet vibrant universe through the celestial web of your mind.

MANAS SAHA
AKA THE PRIEST

Manas Saha also known as THE PRIEST in the industry is a Delhi based DJ whose roots & belongings are from West Bengal. Constant travelling and exploring various genres of music brought him closer to the art of DJing and after finishing his advanced dj course from adapt he has now played at various top venues.

WORKSHOP

PANTOMIMAN <http://music.pantomiman.ru/> (Looney moon records)

ONLINE PSYTRANCE MUSIC PRODUCTION

DRUMS : GROOVE : ARRANGEMENT : GRID SOUNDS : PLACEMENT

31st January 2021 Time : 13.30 C.E.T 3hrs LIVE SESSION Fee : 30 euros

In this exclusive online workshop Gosh AKA Pantomiman (looney moon records) from Russia will explain you some exclusive techniques and his ways to make killer grooves, drum patterns, grid sounds and some unique ways to arrange them. His music is by far the most groovy form of psychedelic and is totally unique in its own way. This will be a live session on zoom and will be recorded for all of you to watch later and have lifetime access to the videos. You can also download the content post your session.

THE COURSE WILL TEACH YOU Drum programming Groove creation Arrangement of one shots and hits Grid Sound arrangement and workflow

WHO IS THE COURSE FOR?

Anyone who wants to build up more on their groove and drum programming Anyone who has basic understanding of music production. Anyone who is willing to learn from the best.

WHAT DO I GET AFTER MY COURSE?

Lifetime access to the recorded session of the class
Project files and sounds that were being used and created in the class
Free presets and libraries (if any used in the class)

WORKSHOP
